The Architectural Committee (AC) is responsible for enforcing the deed restrictions in Maplewood. Volunteers working for the AC noticed an issue on your property and describe it below. It is a friendly reminder. Please take a minute to read it and then make the corrections.

The deed restrictions are rules for structures, maintenance and property use. They help keep the neighborhood neat, clean and safe. They help make it a nice place to live and a good investment. Legally, they apply to all property owners and residents in Maplewood. City ordinances apply as well.

If you have any questions, contact AC chairman Robert Baumgartner at 713-541-9545 or [ac@maplewoodcivicclub.org](mailto:ac@maplewoodcivicclub.org). You can get a copy of the deed restrictions at the club website at [maplewoodcivicclub.org](http://maplewoodcivicclub.org).
